

It's Such A Pretty World Today

Wynn Stewart

It's such a pretty world today look at the sunshine
And every day's the same since I met you
It's such a pretty world today knowing that you're mine
And happiness is being close to you And though the rain may fall my skies will all be blue
If I look close enough the sun will come shining through
It's such a pretty world today look at the sunshine
Today and every day since I met you
[steel + guitar]
It's such a pretty world today...
And though the rain may fall...
