

Lush Life (DJ Arthur Pleat instrumental)

Zara Larsson

I live my day as if it was the last
Live my day as if there was no past
Doin' it all nite, all summer
Doin' it the way I wannaYeah I'mma dance my heart out 'til the dawn
But I won't be done when morning comes
Doin' it all nite, all summer
Gonna spend it like no otherIt was a crush
But I couldn't, couldn't get enough
It was a rush
But I gave it upIt was a crush
Now I might have went and said too much
But that's all it was
So I gave it upI live my day as if it was the last
Live my day as if there was no past
Doin' it all nite, all summer
Doin' it the way I wannaYeah I'mma dance my heart out 'til the dawn
But I won't be done when morning comes
Doin' it all nite, all summer
Gonna spend it like no otherIt was a crush
I kept saying I'mma stay in touch
But that thing went bust
So I gave it up, oohNo tricks, no bluff
I'm just better off without them cuffs
Yeah the sun won't set on usWent low, went high
Still waters run dry
Gotta get back in the groove
I ain't ever worryWent low, went high
What matters is now
Getting right back in the moodI live my day as if it was the last
Live my day as if there was no past
Doin' it all nite, all summer
Doin' it the way I wannaYeah I'mma dance my heart out 'til the dawn
But I won't be done when morning comes
Doin' it all nite, all summer
Gonna spend it like no otherNow I've found another crush
The lush life's given me a rush
Had one chance to make me blush
Second time is one too lateNow I've found another crush
The lush life's given me a rush

Had one chance to make me blush
Second time is one too lateI live my day as if it was the last
Live my day as if there was no past
Doin' it all nite, all summer
Doin' it the way I wannaYeah I'mma dance my heart out 'til the dawn
But I won't be done when morning comes
Doin' it all nite, all summer
Gonna spend it like no otherNow I've found another crush
The lush life's given me a rush
Had one chance to make me blush
Second time is one too lateNow I've found another crush
The lush life's given me a rush
Had one chance to make me blush
Second time is one too late
