I Like It

Jls

I dunno why you don't wanna put that dress on?
And I dunno why you keep messing with your hair, no?
Maybe some guy made you feel insecure but,
He was wrong and I am right,
You're so beautiful tonight,
Girl you such a star you got that fire,
Burning in my heart all day,
Yeah, yeah, yeah,
If only you knew how amazing you are,
Then you would know how much I love you,
Baby coz you don't need to try so hard,
Coz I'll be yours you'll be mine,
Oh baby can't you see the signs,
I like the things you do to me,
I like the way you make me feel,
I'm liking everything I see,
I like it, I like it, I like it,
I dunno why you put on all that makeup?
Coz I dunno anyone who compares,
You're the prettiest can be baby the minute that you wake up,
With the light in your eyes, oh baby girl you got me blinded,
Girl you such a star you got that fire,
Burning in my heart all day,
Yeah, yeah, yeah,
If only you knew how amazing you are,
Then you would know how much I love you,

Baby coz you don't need to try so hard,
Coz I'll be yours you'll be mine,
Oh baby can't you see the signs,
I like the things you do to me,
I like the way you make me feel,
I'm liking everything I see,
I like it, I like it,
I like the way you turn me on,
I think about you when your gone,
I'm liking everything I see,
I like it, I like it, I like it,
You, you got me through and through,

Baby I'm so in love with you I got it bad,
Baby you got me losing all my cool,
This feelin' ain't so new,
Baby I like it, I like it ooooh,
If only you knew how amazing you are,
Then you would know how much I love you,
Baby coz you don't need to try so hard,
Coz I'll be yours you'll be mine,
Oh baby can't you see the signs,
I like the things you do to me,
I like the way you make me feel,
I'm liking everything I see,
I like it, I like it,
I like the way you turn me on,
I think about you when your gone,
I'm liking everything I see,
I like it, I like it, I like it...
