

# Baby I Love You

Jennifer Lopez

Boy I never knew I could feel  
The way I felt, when I felt  
They way you were feelin' me baby  
I'm so out of control, yeah Every time you look my way  
I realize more and more  
How much I adore those pretty eyes of yours  
I'm helpless baby What I want to know is  
Are you willing to try  
Can you love me for a lifetime  
In just one night, ohh Baby I love you  
Baby I need you  
I gotta have you  
Can't be without you  
Baby I love you  
Baby I need you  
I gotta have you  
Can't be without you Blessed and cursed on the same day  
The day that I first felt the power of you  
Inside of me  
Such a strong feeling There comes a time in everyones life  
When you know that everyone around you knows  
That everything has changed, you're not the same  
It's a new day Oh, what I wanna know is  
Are you willing to try  
Try to be more meaning to this  
Than what meets the eye Baby I love you  
Baby I need you  
I gotta have you  
Can't be without you  
Baby I love you  
Baby I need you  
I gotta have you  
Can't be without you Ohh, I love the way you kiss me  
Baby please  
I'm about to lose my mind  
Ohh, talk to me  
'Cause I'm beggin' for you and I'm down on my knees  
Baby, I know you're the one that I need Baby I love you  
You know that I need you

Gotta have you  
Can't be without you  
Baby I love you  
You know I need you  
Gotta have you  
Can't be without youBaby I love you  
Baby I need you  
I gotta have you  
Can't be without you  
Baby I love you  
Baby I need you  
I gotta have you  
Can't be without youBaby I love you  
Baby I need you  
I gotta have you  
Can't be without you  
Baby I love you  
Baby I need you  
I gotta have you  
Can't be without you
