

Welcome to My World

Daniel O'Donnell

Welcome to my world
Won't you come on in
Miracles, I guess
Still happen now and thenStep into my heart
Leave your cares behind
Welcome to my world
Built with you in mindKnock and the door will open
Seek and you will find
Ask and you'll be given
The key to this world of mineI'll be waiting here
With my arms unfurled
Waiting just for you
Welcome to my world
