

# I Wonder Why

Dion

Don't know why I love you like I do, don't know why I do.  
Don't know why I love you, don't know why I care  
I just want your love to share

I wonder why, I love you like I do  
Is it because I think you love me too  
I wonder why, I love you like I do, like I do.

I told my friends that we would never part  
They often said that you would break my heart  
I wonder why they think that we will part, we will part

When you're with me, I'm sure you're always true  
When I'm away, I wonder what you do  
I wonder why I'm sure you're always true, always true

Don't know why I do.
