Grown Man

Lil' Wayne

What's up baby?
I ain't trying to do nothing but get me grown man on
I ain't trying to hurt you
Only if you want me to (ha ha)
Yea, something like thatYea, what's happenin' baby I'm Lil Wayne from New Orleans
Fresh out the navy now the captain of my own team
Hop in this, machine, vanish from tha scene
Goddamn it I'm so mannish
Handle it like a standard
So put yo panties and yo pants my the trash can
Romance on the floor plans (yea)
We hold hands while we rollin',
Just trying to keep up wit' the program
Just trying to sneak up on ya, like how you doing mam
I'm a old soul, and a young man, we got to it and
We didn't stop 'til tha birds hit tha block
And she ain't never had it like thatGirl, you are, so fine
I wish that I could get you over here, girl
Tonight, so I, can get my grown man on wit' you
(You don't know about it, how I'm a grown man)
You are, so fine (You don't know about it, how I'm a grown man)
I wish that I could get you over here, girl
(You don't know about it, how I'm a grown man)
Tonight, so I, can get my grown man on wit' youNow I don't really hit tha club but tonight I'll make an exception
For some reason I can't seem to keep my eyes out your direction
I'm lookin' at you so hard, I could probably catch a charge
Feelin' tha way you walk when you move yo booty applause (damn)
I gotta keep my composure
I gotta intact my mission and handle business like a soldier
Young man, young money but the money long currency the hot spitta so grown
And yo perception of me is so wrong
Don't worry bout what you heard bout me and them other birds
Might have done a little dirt and left a few of them hurt
But whatever has occurred they all got what they deserved
And you don't rock like them, um I can see it in yo eyes
If you ain't good for me then you wearing a disguise
Cause tonight you lookin' like miss right
And I swore to be a player for life, but I'll change for yaGirl, you are, so fine

I wish that I could get you over here, girl
Tonight, so I, can get my grown man on wit' you
(You don't know about it, how I'm a grown man)
You are, so fine (You don't know about it, how I'm a grown man)
I wish that I could get you over here, girl
(You don't know about it, how I'm a grown man)
Tonight, so I, can get my grown man on wit' youYou ain't no woman you a baby girl,
Living in the latest world
And I'm a grown man, do women understand?
See what I go through, is what I owe you
So you should throw that ass back to me right now (yea)
Fly boy baby sit back relax and,
Cruise wit a nigga destination satisfaction
Whose is it baby she say weezy fucking baby
I say yes and fucking deed, she say don't you ever leave
I say, I say but I got money on my mind
Then I tell her never mind and we do it one more time
For a large amount of time,
Long and won't stop 'til daytime come home (yea)Girl, you are, so fine
I wish that I could get you over here, girl
Tonight, so I, can get my grown man on wit' you
(You don't know about it, how I'm a grown man)
You are, so fine (You don't know about it, how I'm a grown man)
I wish that I could get you over here, girl
(You don't know about it, how I'm a grown man)
Tonight, so I, can get my grown man on wit' youDamn, look, that
Oh that right there,
