

Everything

Michael Bublé©

You're a falling star, you're the get away car
You're the line in the sand when I go too far
You're the swimming pool on an August day
And you're the perfect thing to see

And you play you're coy, but it's kinda cute
Oh, when you smile at me you know exactly what you do
Baby, don't pretend that you don't know it's true
Cause you can see it when I look at you

[Chorus]

And in this crazy life, and through these crazy times
It's you, it's you; you make me sing
You're every line, you're every word, you're everything

You're a carousel, you're a wishing well
And you light me up when you ring my bell
You're a mystery, you're from outer space
You're my every minute of my everyday

And I can't believe, uh, that I'm your man
And I get to kiss you, baby, just because I can
Whatever comes our way, oh, we'll see it through
And you know that's what our love can do

[Chorus]

So, la, la, la, la, la, la, la
So, la, la, la, la, la, la, la

And in this crazy life, and through these crazy times
It's you, it's you; you make me sing
You're every line, you're every word, you're everything
You're every song, and I sing along
Cause you're my everything
Yeah, yeah

So, la, la, la, la, la, la, la
So, la, la, la, la, la, la-la-la, la-la-la
