Down to Mars to Ride

Entombed A.D.

I am the man the way
Have all the facts
Don't need to hear your say
You listen and relaxI'll fix you up today
Get u your stacks
Don't worry no dismay
No fallin 'tween the cracksJust go on buccaneer
Don't you think twice
I'll be your puppeteer
Help with your viceAll the kings best horses and men
Game is on ablaze
Down to mars to ride in acid rain
Exit into space
Now burn the other cheek
Thin rest no slacks
Don't wanna see you weak
We're splitting up backsNo time to reconcile
Can't clean the slate
too late to rectify
Ordained this our fateJust go on buccaneer
Don't you think twice
I'll be your puppeteer
Help with this viceAll the kings best horses and men
Game is on ablaze
Down to mars to ride in acid rain
Exit into space
It's the ending of all life
Our path a useless strife
There in no place you can flee
Soon it all will cease to beAll the kings best horses and men
Game is on ablaze
Down to mars to ride in acid rain
Exit to space
