# Use Me

## Jesse Clegg

wait for me I'll wait for you
I can't tell you what to do
oh in the darkness I can feel you
play the thief, I'll play the fool
let the sky come over you oh
i will fall into the blue
i wanna tell you
so use me darling
use me darling
i wanna tell you
waste me darling
waste me darling
u
say the things you thought were true lie awake and feel confused oh I will find my way back to you
losing faith forgotten view oh tried to keep a hold on you oh
i don't know if I can get through
i wanna tell you
so use me darling
use me darling
use
i wanna tell you
waste me darling waste me darling u
every single thing that you told me
and every last moment chances you could console me
there's nothing to feel
there's nothing to feel
now
there's nothing to feel
there's nothing to feel now
i wanna tell you
use me darling
use me darling
ooooh oooh
i wanna tell you use me darling
u
i wanna tell you
so waste me darling
waste me darling
u

use me darling
use me darling
u
