

# Don't Know Much

Linda Ronstadt

Look at this face  
I know the years are showing  
Look at this life  
I still don't know where it's going[Chorus]  
I don't know much  
But I know I love you  
And that may be all I need to knowLook at these eyes  
They never see what matters  
Look at these dreams  
So beat and so battered[Chorus]  
I don't know much  
But I know I love you  
That may be all I need to knowSo many questions still left unanswered  
So much I've never broken through  
And when I feel you near me  
Sometimes I see so clearly  
The only truth I'll ever know is me and youLook at this man  
So blessed with inspiration  
Look at this soul  
Still searching for salvation[Chorus]  
I don't know much  
But I know I love you  
And that may be all I need to know[Instrumental][Chorus]  
I don't know much  
But I know I love you  
That may be all I need to know[Chorus]  
I don't know much  
But I know I love you  
That may be all there is to know
