Love Man Riding

Philipp Fankhauser

I fell in love this morning
but I'll mess around tonight
I fell for you this morning
but I'll play around tonight
Nothing to be proud of
That's the way I live my life, alright
Now, don't you try to chase me
Don't ever plan to chain me down
I'm lonely love man
Riding love from town town.
I no used to blame me
Hanging there and ride with me
You don't have to blame me
hang on tight around with me
I won't have my personality
I don't owe you no apology
Don't you try to chase me
Don't ever plan to chain me down
I'm lonely love man
Riding love from town town.
Ever since I met you
I've thinking about my ways
Ever since we met love
I've been pondering everyday
Don't you doubt my good intension
I'll be back with you some day
Now, don't you try to chase me
Don't ever plan to chain me down
I'm lonely love man
Riding love from town town.
Now, don't you try to chase me
Don't ever plan to chain me down
I'm lonely lonely love man
Riding love from town town.
