

Hustle

Jamelia

Now boy, it's about that time again
For all the gentlemen
Pick your game up, track your lady type
Sign your name up, hustle who you like
Last time we made a ten
So that's right where we begin
Follow me up, to the city lights
I'm gonna shake a little tonight

BRIDGE:

Oh, are you seein' how I love to dance
Are you working up a master plan
Here I am
And I'm waitin' on a fine romance, hmm
If you got your eyes on me
Keep it rollin' heavily, yeah
If you want me to stay....

CHORUS:

You better spin that record one more time
(Ah, ah yeah, one time, oh)
Baby give me all them old school rhymes
(Ooh-oh-ooh-oh)
Wanna feel vibrations up my spine
(Ah, ah yeah, my spine)
You better work that hustle how I like
(Ooh-oh-ooh-oh)
Yeah, I got the feelin' back
I know just what to do with that
Shola (?) dropping, I throw you a glass
Check you know him with your head
And with the palm of your hands, baby
The floor's starting to react
Watch opposites attract
The spots heavin', expect beatin'
I'm gonna shake a little, woah

BRIDGE:

Oh, are you seein' how I love to dance
Are you working up a master plan
Here I am
And I'm waitin' on a fine romance, hmm

If you got your eyes on me
Keep it rollin' heavily, yeah

If you want me to stay....

CHORUS:

You better spin that record one more time

(Ah, ah yeah, one time, oh)

Baby give me all them old school rhymes

(Ooh-oh-ooh-oh)

Wanna feel vibrations up my spine

(Ah, ah yeah, my spine)

You better work that hustle how I like

(Ooh-oh-ooh-oh)

SWAY:

It's Sway and Jamelia

You better get familiar

Gonna keep on hustlin'

Tryna make a million

When Sway steps in the place, there's no replacement

You can either move to the base, or move to the basement

DJ wanna wheel it out

Spin it back and speed it out

Turn it up in your car

But if you're on a bike then pop a wheeley

What's gwannin', darling

Maybe one day we can meet up

You can help me put my feet up

Then we can mess the sheets up

Listen, the lion's back and about to claim the lion's share

And anybody denying that will end up lying there

See I'm a pioneer

They didn't see me

I make the party jump

Even if it is the B.E.D

CHORUS:X2

You better spin that record one more time

(Ah, ah yeah, one time, oh)

Baby give me all them old school rhymes

(Ooh-oh-ooh-oh)

Wanna feel vibrations up my spine

(Ah, ah yeah, my spine)

You better work that hustle how I like

(Ooh-oh-ooh-oh)

Hey yeah, yeah
