Run Baby Run

Clint Crisher

JEALOUSY...Sit in your jealousy
Sit, well yeah, cry over me
Yeah, run baby run
Cause I'm not done
I'm gonna do so much more
Before I'm through with you
Run baby run, cause I'm not done
I'm gonna do so much more
Before I'm through with youYeah, go ahead and run girl
You know you wanna run, girl
But you ain't gonna get awayMy life has changed
I was there, but now I'm here
Waiting to see for so long what you had
I belonged
I saw it without a doubt
We brought each other out
Why think the obvious
Scream it, own it, breathe it
Live it, know it!
I need to hear it
I'm not willing to give my life awaySo, run baby run, cause I'm not done
I'm gonna do so much more
Before I'm through with youRun baby run, cause I'm not done
I'm gonna do so much more
Before I'm through with youRun baby run, cause I'm not done
I'm gonna do so much more
Before I 'm through with youYeah, go ahead and run girl
You know you wanna run, girl
But you ain't gonna get awayWithout trust there is no love
Continuing in yesterday
We'll never see tomorrow
I'm living with you now baby
You got me and I want youThis is the last time I'll say it
Love has made the day
And if it's meant to be this way
So go ahead girl if you want to
And sit in your jealousy
And (run...)Run baby run, cause I'm not done
I'm gonna do so much more

Before I'm through with youRun baby run, cause I'm not done
I'm gonna do so much more
Before I'm through with youWhere do we go from here?Our wasted time
Our wasted time
Our wasted time
It's now or never...
And recognize and hold me tight
I'm not willing to give my life awaySo sit in your jealousy
Sit, and cry over me
Yeah, well run baby run
Cause I'm not done
I'm gonna do so much more
Before I'm through with you
Run baby run, cause I'm not done
I'm gonna do so much more
Before I'm through with youSo run
Without trust there is no love
I said run
If it's meant to be this way
You'll be aloneI'm not willing to give my life away
So sit or run
