

Reggae Bring Back Love

Morgan Heritage

Yeah, oh God, we can see
Jah bless reggae music once again
It's so nice, it's so sweet
It's so beautiful to see
The people live in sweet sweet love
Oh, yeah I and I feel the vibes
Lord knows it feels right
We can feel Jah love, woy
Flowing amongst mankind Give thanks for sweet reggae music
And it's positive vibes
Reggae music send a positive charge
To the hearts of mankind Reggae bring back love
In the hearts of the people
Reggae bring back sweet sweet love
Oh, Lord Reggae bring back love
In the heart of the ghetto
Reggae bring back sweet sweet love
Oh, yeah It's all coming back
The way we use the vibes
Oh, brothers and sisters
In a dancehall style Oh, what a sweet sensation
Rastaman vibration
Take a hold of reggae sensation
With this young generation Reggae bring back love
In the heart of the people
Reggae bring back sweet sweet love
Oh, Lord Reggae bring back love
All across the world, Lord
Reggae bring back sweet sweet love Give some of the players solo
