Django

Luis Bacalov

Chorus: django!

Django, have you always been alone?

Chorus: django!

Django, have you never loved again?
Love will live on, on...
Life must go on, Go on...
For you cannot spend your life regretting.

Chorus: django!

Django, you must face another day.

Chorus: django!

Django, now your love has gone away.
Lost your lover, whoa-oh...
Now you've lost her, whoa-oh-oh-oh...
But you've lost her for-ever, django.

When there are clouds in the skies, and they are grey.
You may be sad but remembet lovers do pass away.

For Django!
After the showers
the sun will be shining...

[instrumental solo]

Once you loved her, whoa-oh...
Now you've lost her, whoa-oh-oh-oh...
But you've lost her for-ever, Django.

When there are clouds in the skies, and they are grey.
You may be sad but remember that love will pass away.
Oh django!
After the showers is the sun.
Will be shining...

Django!
Oh oh oh Django!
You must go on,
Oh oh ohDdjango...
