

# I Want You To Know

## Riddlin' Kids

I see you all the time  
I can't go anywhere without you walking by me  
And I think I must have lost my mind  
?Cause that coincidence could  
Never happen every single day  
I?ll be leaving outta town on Tuesday  
I?ll be leaving but I wish I could stay  
And I only wish I had the nerve to say  
I want you to know however things may go  
That you were always on my mind  
It doesn?t matter where I?m at  
I want you to say that you feel the same way  
?Cause I know I?ll see you sometimes  
You know I never have come back  
I wonder if you think about me  
Like I think about you right before I go to sleep  
It?s obvious to me that this is fate  
And I know every time I see you on the street  
I?ll be leaving outta town on Tuesday  
I?ll be leaving but I wish I could stay  
And I only wish I had the nerve to say  
I want you to know however things may go  
That you were always on my mind  
It doesn?t matter where I?m at  
I want you to say that you feel the same way  
?Cause I know I?ll see you sometimes  
You know I never have come back  
Time to say goodbye for now  
I don?t wanna say goodbye for now  
I wish I could stay but it's time to say  
Goodbye, goodbye  
I saw you yesterday  
That?s when I knew without a doubt  
I know what I should say  
It's just so hard to get it out  
And I know you feel the same  
And I know I?ll see you sometime  
Goodbye  
I?ll be leaving outta town on Tuesday

I'll be leaving but I wish I could stay  
And I only wish I had the nerve to say  
I want you to know however things may go  
That you were always on my mind  
It doesn't matter where I'm at  
I want you to say that you feel the same way  
?Cause I know I'll see you sometimes  
You know I never have come back  
I want you to know however things may go  
That you were always on my mind  
It doesn't matter where I'm at  
I want you to say that you feel the same way  
?Cause I know I'll see you sometimes  
You know I never have come back
