Awakening

Airlock

There was a time I said I loved you,
A time I thought you cared
A time when things were flowing,
But now I'm lost for wordsI tried so hard to understand,
In silence and emotion
You take my smiles away from me
With your careless notionsWill you bring me down
Will you lift me up
Will you lift me up[Chorus]
I want to be me
When the night is fading,
Morning's wakingDidn't do what you were supposed to
Do when you said you would do
Holding on while all along
I was scared to say goodbyeThose days have gone,
The time has come now
For me to draw the line
My mind is made up baby
I won't play your game[Chorus]Will you bring me down
Will you lift me upI want to be me
