Cherry Pie

Sade

Son of
Son of a gun
Gotta find out what I meant to you
You're the one who broke my heart
Gotta find out what I meant to you
You're the one who broke my heart
When I met you boy, you were as sweet as cherry pie
That smiling eye you were as wild as Friday night
I should have known how ever hard you try
Changed come and strangle it
It was bound to die
You were sweet as cherry pie
Wild as Friday night
Sweet as cherry pie
Wild as Friday night
Gotta find out what I meant to you
You're the one who broke my heart in two
Gotta find out what I meant to you, oh boy
Gotta find out what I meant to you
You're the one who broke my heart in two
Where were you just when I needed you?
You gave me your soul for at least a day
Listen boy, there was a time when I wanted you to stay
You'll know the cost, it's you who's gonna pay
I'm stronger now, I loved you then
I'll ask you anyway
You were sweet as cherry pie
Wild as Friday night
Sweet as cherry pie
Wild as Friday night
Gotta find out what I meant to you
You're the one who broke my heart in two
Where were you just when I needed you, boy?
Gotta find out what I meant to you
You're the one who broke my heart in two
I needed you
You teased me
You broke my heart
You broke my heart

You were the only one
You were the only one
You're a son of a gun
You were the only one
You were the only one
Oh boy, you broke my heart
Sweet as cherry pie
Sweet as cherry pie
Gotta find out what I meant to you
You're the one who broke my heart in two
Gotta find out what I meant to you, oh boy
Gotta find out what I meant to you
Where were you just when I needed you?
Gotta find out what I meant to you, boy
Where were you when I needed you?
You were the only one
You were the only one
Son of a gun
You were the only one
I'm feeling strong
I loved you then
So I ask you anyway
Gotta find out what I meant to you
You broke my heart
Gotta find out
Gotta find out what I meant to you
You teased me
You were the only one
You were the only one
Son of a gun
You were the only one
You were the only one
