

Devil's Backbone

The Civil Wars

Oh Lord, Oh Lord,
What have I done?
I've fallen in love with a man on the run.
Oh Lord, Oh Lord,
I'm begging you please,
Don't take this sinner from me.
Oh, don't take this sinner from me. Oh Lord, Oh Lord,
What do I do?
I've fallen for someone who's nothing like you.
He was raised on the edge of the Devil's Backbone.
Oh, I just wanna take him home.
Oh, I just wanna take him home. Oooohhhh ohhhhhh
Oooohhhh ohhhhhh Oh Lord, Oh Lord,
He's somewhere between,
A hangman's knot and 3 mouths to feed.
It wasn't a wrong or a right he could choose.
He did what he had to do.
Oh, he did what he had to do. Oooohhhh ohhhhhh
Oooohhhh ohhhhhh Give me a burden, give me the blame.
A shoulder to road, and I'll swallow the shame.
Give me a burden, give me the blame.
How many, how many Hail Marys is this gonna take? Don't care if he's guilty,
don't care if he's not.
He's good and he's bad,
and he's all that I've got.
Oh Lord, Oh Lord,
I'm begging you please,
Don't take this sinner from me.
Oh, don't take this sinner from me.
