

Hold Your Ground (demo)

Gorilla Biscuits

A step apart, I don't fit In with my peers, but I don't give a shit Laughed at in the streets of my town Their
laughter hurts, but I'll hold my ground Hold Your...GROUND Hold Your...Hold Your Ground It's time to stand
up, for what you believe Have no fear of your critics Be proud of the life you lead You may be different from
your friends but if their true they'll understand Hold your ground - Be yourself and be the best you can Step
Out! Conformity, the easy way to be accepted I'd rather be outcast any day. It's hard to be yourself with all the
pressures coming down, It takes a strong fucking person to hold your ground. Hold You...GROUND Hold
Your...Hold Your Ground
