Sweet Talk

Saint Motel

[Verse 1]
Oh when it's cold
I get warm just thinking of you
When I'm alone
I stare at stars and hope dreams come true[Pre-Chorus]
You're probably not aware
That I'm even here
Well you might not know I exist
But I don't even care[Chorus]
Sweet talk
Everything you say
It sounds like
Sweet talk to my ears
You could yell
"Piss off! Won't you stay away?"
It'll still be
Sweet talk to my ears[Verse 2]
Oh when you laugh
I forget that it's about me
But it's alright
Yeah, cause being your punchline
Still is something[Pre-Chorus]
Yeah well I'm not scared
I'm not going nowhere
Yeah, you might want me to drop dead
But I don't even care[Chorus]
Sweet talk
Everything you say
It sounds like
Sweet talk to my ears
You could yell
"Piss off! Won't you stay away?"
It'll still be
Sweet talk to my ears[Break]
Ooh, everything you say
It sounds like
Ooh, to my ears
Ooh, "Won't you stay away?"
It sounds like

Ooh, to my ears[Chorus]
Sweet talk
Everything you say
It sounds like
Sweet talk to my ears
You could yell
"Piss off! Won't you stay away?"
It'll still be
Sweet talk to my ears
