Split Personality

Pink

I do not trust, so I cannot love
(Can't no man be trusted)
Oh no, no, no and I would not dare to open up
(This life of yours is dusted Pink)
Well my rent's passed due
And now my car won't start, I hate the bus
(Well aren't you glad you have somebody to talk to?)
Tell me what do they see when they look at me
Do they see my many personalities, oh no?
Can you help me? D anybody hear me?
Can they even see me? This is my reality, oh oh
(Can it be my turn now? Is it my turn, Pink?)
Said I'll say it again you're my only friend
(I protect you from the world, I basically protect you from yourself)
Though I can't go on, I'm not satisfied with this being the end
(This is just the beginning)
Tell me why can't I just reach up and simply touch the sky?
Tell me why can't I spread my arms and fly and fly and fly?
Tell me why can't I say this why can't I do that?
Tell me what do they want from me? Tell me how to act
Said, can you help me? Does anybody hear me?
Can they even see me? This is my reality, oh oh
Can you help me? Does anybody hear me?
Can they even see me? This is my reality, oh oh
So I'm putting it all on the table
(Tell 'em Pink)
You don't know me well enough to label me
Sick or even disturbed
When you break it down I'm just two girls
Trying to blend, trying to vibe
(I'm trying)
Trying to live just one life
(It's so hard)
Everybody's got insanities, I got a split personality
Tell me why can't I just reach up and simply touch the sky?
(Why can't you?)
Tell me why can't I spread my arms and fly and fly and fly?
(You can)
Tell me why can't I say this, why can't I do that?

(Say, just do it)
Tell me what do they want from me? Tell me how to act now
(I can't)
Can you help me? Does anybody hear me?
(I can't, girl I'm listening)
Can they even see me? This is my reality, oh oh
Can you help me? Does anybody hear me?
(No no no)
Can they even see me? This is my reality, oh oh
(No no no)
Can you help me? Does anybody hear me?
(No no)
Can they even see me? This is my reality, oh oh
(Why won't you talk to me?)
Can you help me?
(Talk to me don't ignore me)
Do you hear me?
(I can't take it)
Do you see me? Oh, it's mine
(Oh calm down)
It's all mine
(It's not that serious)
It's my reality
(We'll be just fine without them)
It's just too much for me
(Forget about them)
Oh, oh
(You're my friend)
Oh
(You're my friend)
Oh
(Pink!)
Oh
(Pink!)
