

Younger Girls

Cheap Trick

Try to bend me, try to shake me

Try and turn my head around

Oh try to change me, rearrange me

I think you know about the boy you foundA fantasy like this is hit and runYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girlsI had a dream about girls like you

You said call us, you'll get two

Run for your money, two for the show

I'll give you something more

I know, I know, I know, I knowIt's hard enough to make you wanna cryYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girlsIt's hard enough to make you wanna cry

And it drives me out of my mind

I'm in love with you, baby

My poor innocent baby, don't you say maybeYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girlsFeels so good, let me in

I might jump right out of my skin

Don't you ever grow up little girl

Sweet young thing, not so innocentYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girlsYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girlsYounger girls

Oh, how I love those younger girls

Younger girls

Oh, how I love those younger girls
