Good News

Neurotic Outsiders

You tried to bring me down
The other day
But I could see inside your head

It's sad to see you carry on
This way
It won't be long before you're dead

Why do you fight it
Why do you care
Why do you spread your germs everywhere

The good news is your dying
The bad news is I'm alive

The good news is your dying
The bad news is I'm alive

Everyone you touch They drop like flies
They don't realize you're sick

But I can see hatred in your eyes
A big price for a little dick

Why do you lose it
Let it slide
You're just another slave to suicide

The good news is your dying
The bad news is I'm alive
The good news is your dying
The bad news is I'm alive

It won't be long now
Before you're gone now

You're so wrong now
I said so long now
So long now

Why do you lose it
Let it slide
You're just another slave to suicide

The good news is your dying
The bad news is I'm alive
The good news is your dying
The bad news is I'm alive
The good news is your dying
The bad news is I'm alive
The good news is your dying
The bad news is I'm alive
