

# Julie Do You Love Me - Re-Recording

## White Plains

Julie, Julie, Julie, do you love me?

Being alone at night makes me sad, girl

Yeah, it brings me down, all right

Tossing and turning and freezing and burning

And crying all through the night

Whoa, oh

Julie, Julie, Julie, do you love me?

Julie, Julie, Julie, do you care?

Julie, Julie, are you thinking of me?

Julie, Julie, will you still be there?

We had so much fun together

I was sure that you were mine

But leaving you, baby is driving me crazy

It's got me wondering all the time

Oh, oh

Julie, Julie, Julie, do you love me?

Julie, Julie, Julie, do you care?

Julie, Julie, are you thinking of me?

Julie, Julie, will you still be there?

Honey, you cried the day I left you

Even though we knew I couldn't stay

But baby, remember, I'll be back September

But till then I'll write you every day

Whoa, oh

Julie, Julie, Julie, do you love me?

Julie, Julie, Julie, do you care?

Julie, Julie, Julie, are you thinking of me?

Julie, Julie, will you still be there?
