

The Outsiders (iTunes Originals Version)

R.E.M.

You took me to the restaurant where we first met
Knocked a future shock crowbar upside my head
I got caught with the stop of the tick-tock, tick-tock clock
When you told me what you knewLost in the moment
The day that the music stopped
And I do remember youDrawing patterns with a cork on the tablecloth
Promising volcanic change of plot
Where will this lead us, I'm scared of the storm
The outsiders are gathering, a new day is bornI tried to tell you, I am not afraid
You looked up and saw it, all across my face
So am I with you or am I against?
I don't think it's that easy, we're lost in regretNow I'm trying to remember
The feeling when the music stopped
When you told me what you knewLost in the moment
The day that the music stopped
And I do remember youDrawing patterns with a cork on the tablecloth
Promising volcanic change of plot
Where does this leave us, I'm scared of the storm
The outsiders are gathering, a new day is bornDrawing patterns with a cork on the tablecloth
Promising volcanic change of plot
Where does this leave us, I'm scared of the storm
The outsiders are gathering, a new day is born
The outsiders are gathering, a new day is born
The outsiders are gatheringA man walks away when every muscle says to stay
How many yesterdays, they each weigh heavy
Who says what changes may come?
Who says what we call home?I know you see right through me, my luminescence fades
The dusk provides an antidote, I am not afraid
I've been a million times in my mind
This is really just a technicality, frailty, realityUh, it's time to breathe, time to believe
Let it go and run towards the sea
They don't teach that, they don't know what you mean
They don't understand, they don't know what you meanThey don't get it, I wanna scream
I wanna breathe again, I wanna dream
I wanna float a quote from Martin Luther king
I am not afraidI am not afraid
I am not afraid
I am not afraid
