Power Trip

Advisory - the following lyrics contain explicit language:

Face to face
No time to waste
This is the time for revenge
Your claim to fame
Of crushing dreams
Your control has no hold on me
Has no hold on meI hate the way
You have no shame
You act like nothing's happened
It's time to rise
The final fight
This is the last timeI, I will not fail again
I will not let you win
Fuck your power tripI'll throw away
The wasted days
The chance for revenge
My claim to fame
Ended in vain
This was the last timeI, I will not fail again
I will not let you win
Fuck your power tripI will not fail again
I will not let you win
Fuck your power trip, oh owYou are the one who's forsaken us all
Nothing has changed so together we fall
I am the one who's led us to believe
You can't change meI, I will not fail again
I will not let you win
Fuck your power tripI, I will not fail again
I will not let you win
Fuck your power tripYeah, fuck your power trip
