

# Reign

Kurt Carr

You are greater than the universe  
More powerful than the sea  
You are fairer than ten thousand  
No one compares to thee  
The Omnipotent Sovereign  
Stronger than a million men  
Your Kingdom glorious, victorious  
Will never ever end  
Reign, Jesus reign  
Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reign  
You are glorious in life  
Victorious in death  
And I live to sing Your praise  
Till I exhale my final breath  
And may I soar beyond the sky  
And see Your face with my own eyes  
In my eternal home around the throne  
I'll offer up this song  
Reign, Jesus reign

Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reign  
All hail, all hail the power of Jesus' name  
Let angels, let angels, let angels prostrate fall  
Reign, Jesus reign  
Be Thou glorified above this earthly plain  
Son of God and oh so good  
In majesty Your kingdom will forever reign

Vamp  
Reign  
Jesus, reign  
Forever  
Vamp  
Reign  
Jesus, reign  
Forever

And He shall reign forever and ever  
Reign
