Swing

Sam Black Church

Thought youâ€™d be forever the same
When did you become so easy to change?
Canâ€™t like who I wonâ€™t
No, thatâ€™s not true
I do know
Just canâ€™t figure out how to pin down
There will be no unguarded kisses,
let go of my hand when theyâ€™re around
They say Iâ€™m unsound
But what do they know?
They canâ€™t figure out how to get down
Soon enough I wonâ€™t care
stay in my arms, if you dare
You canâ€™t romanticize
They are crazy
Will only let you down
Try to figure out how to keep you down
Theyâ€™re all alone
I will keep you down
