

Spinning Top

XTC

I'm like a spinning top
Going round and around
Well I don't know what's up
And I sure don't know what's down
Now watch me - I'm like a spinning top
Can't tell day from night
Well I don't know what's wrong
And I sure don't know what's right
Now watch me It started when I heard your song of love
Pouring down like honey from above
I started to spin
I started to move
Just like a needle
That's sticking in the same old groove I'm like a spinning top I like it so much I'm never going to stop
