# If You Love Me

## Mint Condition

If you love me, like you say you do
Why don't you show me, just how much you do
If you love me, unconditionally
Say that you'll always, always be with me
In my heart there is a love that's yearning for you
Let me know, if you feel the same
The yearning that I do, all I know
Is that I need a love to give me what I need
Don't be afraid or hesitate
I'm tryin' to make you see, how it's gotta be
If you love me, like you say you do
Why don't you show me, just how much you do
If you love me, unconditionally
Say that you'll always, always be with me
All the words that you didn't say
Pushed me away from you, word of love
That I need to hear to let me know you do
Through the night, I dry my eyes
For now I have learned, lonely tears
They fall the same when love is not returned
If you love me, like you say you do
Why don't you show me, just how much you do
If you love me, unconditionally
Say that you'll always, always be with me
