

# Alienate Me

## Coal Chamber

Here we goSo sadistic, I'm coming apart like a ten cent toy

Soul seduction, I know it's something that you enjoy

Trap, scream trap, these broken wings I'll wrap

And trap, scream trap, scream trap, scream trapReclusive and fleeing, I'm coming apart like a ten cent toy

Soul addiction, I know it's something that you enjoy

Trap, scream trap, these broken wings I'll wrap

I trap, scream trap, scream trap, scream trapHere we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we goReclusive and fleeing, I'm coming apart like a ten cent toy

Soul seduction, I know it's something which you enjoy

Trap, scream trap, these broken wings I'll wrap

Trap, scream trap, scream trap, scream trapHere we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we go

Here we go

Down, down, down, down

Away we goSever this tie

Away we go  
Here we go  
Down, down, down, down  
Away we go
