

Autumn Leaves

Mark Taylor

Another day another life
Passes by just like mine
It's not complicated
Another mind
Another soul
Another body to grow old
It's not complicated
Do you ever wonder if the stars shine out for you?
 Float down
 Like autumn leaves
 And Hush now
 Close your eyes before the sleep
 And you're miles away
And yesterday you were here with me
 Another tear
 Another cry
 Another place for us to die
 Its not complicated
Another life that's gone to waste
Another light lost from your face
 It's complicated

Is it that it's over or do birds still sing for you?
 Float down
 Like autumn leaves
 And Hush now
 Close your eyes before the sleep
 And you're miles away
And yesterday you were here with me
 Ooh how I miss you
My symphony played the song that carried you out
 And Ooh how I miss you
 And I miss you and I wish you'd stay
Do you ever wonder if the stars shine out for you?
 Float down
 Like autumn leaves
 And Hush now
 Close your eyes before the sleep
 And you're miles away

And yesterday you were here with me
Mhhh, mhh, mhhh, mhhh,mhhh,mho
Touch down
Like a seven four seven
Stay out and we'll live forever now
