

Dr. Stephen

Stephen Lynch

I'm a rich and famous doctor
I always KNEW I'd be
An expert in the field of
Gynecology
Next on my agenda:
Checking your pudenda
Let me see what I can find
If you get your nerve up
Slip inside the stirrups
Single thought will cross my mind:
I love putting women's minds at rest
I love pushing myself to be the best
Dr. Stephen's in
I've got magic fingers
The doctor of the year
There's not a lip that I can't read
A pap that I can't smear
