

# Pussy (feat. Big Sean & Pusha T)

## The-Dream

(Push)

Oh boy, she want a dope boy  
She want to throw bands on her pole dance  
No test drivin' that two door  
She want to stunt with me on her old man  
Oh God my IG is like iv to this lifestyle  
I buy this shit, take a pic  
And you OD on my life files Shawty get it (get it)  
Do it big, Do it good  
Work it like a girl should  
Work it good (work it good)  
Bring it back (bring it back)  
Tell the DJ bring it back  
Let me touch it, fuck it baby  
Tell your man he ain't getting it back  
Shawty is so ratchet, baby I'm so ratchet  
You so bomb with that, I got to have it  
I got to have it, like a 9 I got to blast it  
So fine I got to grab it, she don't mind I got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
(I love)  
Now keep that booty rolling like that  
Keep that pussy poppin' like that  
I'ma get these bands poppin' like that  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
And I got my right hand on that pussy Up in that six hundred  
You ain't even seen it  
Touchin' on it, rubbin' on it  
Girl you got me feinin'  
All about her money  
And I'm all about my money

Million dollar babies plus alimony  
First a nigga save you  
(Then a nigga grave you)  
And ain't nobody got time for that  
So it's best just to pay ya  
Thirteen cars I don't need nothing else  
Just this booty on my lap  
And this gold on my neck I got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
(I love)  
Now keep that booty rolling like that  
Keep that pussy poppin' like that  
I'ma get these bands poppin' like that  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
And I got my right hand on that pussy The way you do got me very very very happy  
She stare at me while I'm starin' at it  
I'm a young sexy ass charismatic ass  
Gorgeous face ass havin' ass nigga  
That she love in her panty hose  
She need this dick like its antidote  
That pussy is a work of art painted by Michael Angelo  
I wake up to pussy and cantaloupe  
Then she made me fuck my appetite  
Fuckin' so hard I'ma remember this in the afterlife  
I tell her slob on my knob  
Like its corn on the cob  
She keep goin' oh my god  
And my broad is so bad I can't hit from the back  
All my favourite girls got my initials as tats  
Finally Famous she throw this set up  
Like Sororities and Frats  
Niggas can't tell me shit but congrats I got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
Got my right hand on that pussy

Got my left hand on that booty  
Got my right hand on that pussy  
(I love)  
Now keep that booty rolling like that  
Keep that pussy poppin' like that  
I'ma get these bands poppin' like that  
Got my left hand on that booty  
Got my right hand on that pussy  
Got my left hand on that booty  
And I got my right hand on that pussy Pull up to that traffic light  
Stars bright wanna touch her  
Gotta get it to the car  
Oh shit I might love her  
Straight up out of med school  
Could be my baby momma I got my left hand on that booty  
Got my right hand on that pussy
