Deny (acoustic)

Default

Today I woke up and you were gone
The whole day wondering what I did wrong
It's like I'm falling from a mountaintop
My heart keeps pounding and it won't stop
Can you see this hell I'm leavin'
I'm not keepin' alone
Will you crawl to me
Will you fall with me
I'll never crawl to you
I've done it all for you
Well don't deny
The hand feed you need you
Oh God I'd die to try to finally please you
There goes a piece of me
Will I cease to be
I've never lied to you
Fought bled and die for you
Well don't deny
The hand that takes you breaks you
Oh god I'd die to try to finally please you
There she goes and I'm on the ground and I'm on the ground I'm on the..repeat X 3
Well don't deny
The hand that feed you need you
Oh god I'd die to try to finally please you
Will you crawl to me
Will you fall with me
I'll never crawl to you
I've done it all for you
