

# Deny (acoustic)

## Default

Today I woke up and you were gone  
The whole day wondering what I did wrong  
It's like I'm falling from a mountaintop  
My heart keeps pounding and it won't stop  
Can you see this hell I'm leavin'  
I'm not keepin' alone  
Will you crawl to me  
Will you fall with me  
I'll never crawl to you  
I've done it all for you  
Well don't deny  
The hand feed you need you  
Oh God I'd die to try to finally please you  
There goes a piece of me  
Will I cease to be  
I've never lied to you  
Fought bled and die for you  
Well don't deny  
The hand that takes you breaks you  
Oh god I'd die to try to finally please you  
There she goes and I'm on the ground and I'm on the ground I'm on the..repeat X 3  
Well don't deny  
The hand that feed you need you  
Oh god I'd die to try to finally please you  
Will you crawl to me  
Will you fall with me  
I'll never crawl to you  
I've done it all for you
