Empty and Alone

Sunk Loto

You're alone, all alone
It's such a shame that you brought this on yourself
You didn't think it through
There's never gonna be an easy getaway
Are you ashamed?
Do you feel like the liar and the cheat that runaway?
You lose and suffer at the end of the dayAfter all this time you realize
You're alone and empty
I can see confusion in your eyes
You're alone and emptyI don't speak to you cos I've got nothing to say
Your blind confusion got you into this mess
You're weak & selfish, walk away
Yeah, it's easy to walk away
You lose and suffer at the end of the day.Empty and alone...
You're alone, you're empty & alone.
Ha, you lose and suffer at the end of the day.
