The Feeling Is Gone

M2m

Listen to me as I explain this situation
It's not like I wanna destroy his reputation
We are still together but we are not moving on
When we first met it was the perfect combination
Now when I look at him it fills me with frustration
What is a girl to do when she is not having fun?
How can I tell him I have to try?
There is no easy way of saying goodbye
How do I break it? It's just no good
My heart is telling me that I really should
I must be subtle, I must be strong
The feeling is gone
I think we're going in the opposite direction
No longer think that we are making a connection
I am so unhappy
I'll rather be alone
In the beginning it was one special occasion
Now when I talk to him his mind is on vacation
How can I tell him I have to try?
There is no easy way of saying goodbye
How do I break it? It's just no good
My heart is telling me that I really should
I must be subtle, I must be strong
The feeling is gone
I want it over, all said and done
How can I tell him that he isn't the one?
The feeling for you is gone
How can I tell him I have to try?
There is no easy way of saying goodbye
How do I break it? It's just no good
My heart is telling me that I really should
I must be subtle, I must be strong
The feeling is gone
I want it over, all said and done
How can I tell him that he isn't the one?
I must be subtle, I must be strong
The feeling is gone
