In the Morning

Jaded

I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I need4 in the morning, I buy you a drink
6 in the morning, I take you back to my crib
I'll teach you things, baby, teach you things
Show you every move and make you reach for things
I'll teach you things, baby, teach you things
In the morning
Know it's late in the morning, time for you to leave
I ain't lookin' for a ring 'cause I got what I want and I got what I need
I'll teach you things, baby, teach you things
Show you every move and make you reach for things
I'll teach you things, baby, teach you things
In the morning
You know what I'm like if I don't get to eat in the morning
You know I go wild if I don't get to eat in the morning
I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I need4 in the morning, I buy you a drink
6 in the morning, I take you back to my crib
I'll teach you things, baby, teach you things
Show you every move and make you reach for things
I'll teach you things, baby, teach you things
In the morningYou know what I'm like if I don't get to eat in the morning
You know I go wild if I don't get to eat in the morning
I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I need
'Cause I got what I want
'Cause I got what I need
'Cause I got what I want
'Cause I got what I need
I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I needYou know what I'm like if I don't get to eat in the morning
You know I go wild
I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I want
I ain't lookin' for a ring 'cause I got what I need
You know what I'm like if I don't get to eat in the morning
You know I go wild if I don't get to eat in the morning
