

I Just Wanna Be Your Friend

Lighthouse

You think that I'd like to make it with you, girl
But it's against my better judgment to do it
And you think that I know how good it would be
You think it means a lot to me but it doesn't I don't wanna see your picture hanging in my hall
You don't wanna be another star on the wall, no
I just wanna be your friend, I just wanna be your friend
I just wanna be your friend, that's all Yeah baby, know what I mean, baby, know what I mean
Baby, know what I mean, baby, know what I mean Ah, I know you think you've met my kind before, girl
But there is more to me than what you're seeing
And I don't want your face to look the same to me
As those who only want to play their games I don't wanna see your picture hanging in my hall
You don't wanna be another star on the wall, no
I just wanna be your friend, I just wanna be your friend
I just wanna be your friend, that's all Yeah baby, know what I mean, baby, know what I mean
Baby, know what I mean, baby, know what I mean I don't wanna see your picture hanging in my hall
You don't wanna be another star on the wall, no
I just wanna be your friend, yes, I do
I just wanna be your friend all the time
I just wanna be your friend, that's all
