Burned

Puggy

I thought about what you said
You wrote it all in my head
The chapter's about regret
To forgive is not to forgetThe lies are all incomplete
The ending is make believe
You know there are words?
It brought your friends to their kneesCHORUS:
Ohh, did you think of me?
When you couldn't sleep
Burned by your sun
Ohh, did you think of me?
When you couldn't sleep
Burned by your sun
The rhymes don't make much sense
The process of no consequence
With these words you have no control
I bid you fairwell so goCHORUS
And still it makes no sense
You believe in your own defence
You say you want to leave
To see is not to believeCHORUS x3(Merci
