When I Get There

Ben Rector

Well, you can have the truck and the stuff
Baby, you can have the house
Yeah, you and your lawyer and your new boyfriend
Can all sort it out

What?s left of my pride and these two wheels are all I need
To take me away from somewhere I don?t wanna be
Baby I?m gone, when you read these words
I?ll be a blue of chrome

I wanna ride, watch the heat waves rise
I wanna feel the sun on my face and the wind in my hair
I?ll know where I?m goin?

When I get there

From what I hear, the beer is cheap down in Mexico I wouldn?t mind bein? where they speak a language I don? know

The altitude of the Rockies Might be what I need If anybody eve' asks about

What happened to me
Tell ?em I?m gone, when you read these words

I?ll be a blur of chrome

I wanna ride, watch the heat waves rise
I need to feel the sun n my face and the wind in my hair
I?ll know where I?m goin?

When I get there

And if I miss a turn, it won?t make a bit of difference

Baby, where we?re concerned All I need is distance

Baby, I?m gone

I need to feel the sun on my face

And the wind in my hair

I?ll know where I?m goin?

When I get there

Baby I?m gone, ooh, gone

Oh, I?m going, yeah

I?m taking my heart and I?m hittin?

The road of these two wheels

Baby, I?m gone, gone, gone, gone

Baby, I?m gone, gone, gone, yeah
