Stars Come Out At Night

Alcazar

Do you wanna
It hurts going to the discoteque
It hurts going to the discoteque
Do you wanna
It hurts going to the discoteque
It hurts going to the discoteque
Do you wannaDreams this is your life
Your chance to take in
Scenes this is the place
Your chance to break in
When the city's openwide tonightTake a ride
Stars come out at night
The skyline is shining bright
We dance in neon light
The stars come out at night
Stars come out at night
The skyline is shining bright
We dance in neon light
The stars come out at nightIt hurts going to the discoteque
It hurts going to the discoteque
It hurts going to the discoteque
It hurts going to the discotequeTake a ride
Do you wanna take a ride
Wanna dance in neon light
Do you wanna take a ride
Do you wanna
Do you wanna
Take a ride
Do you wanna take a ride
Wanna dance in neon light
Do you wanna take a ride
Do you wanna
Do you wannaTake a ride
Stars come out at night
The skyline is shining bright
We dance in neon light
The stars come out at night
Stars come out at night
The skyline is shining bright

We dance in neon light
The stars come out at night
