

# I Will Always Love You

Connie Talbot

If I should stay  
I would only be in your way  
So I'll go  
But I know  
I'll think of you every step of the way

And I will always  
Love you  
I will always  
Love you

You  
My darling you  
Bittersweet memories  
That is all I'm taking  
With me  
So good-bye  
Please don't cry  
We both know I'm not what you  
You need

And I will always  
Love you  
I will always love

I hope life treats you kind  
And I hope  
You have all you dreamed of  
And I wish you joy  
And happiness  
But above all this  
I wish you love

And I will always love you  
I will always love you  
I will always love you  
I I will always love you  
I will always love you  
I I will always love you

I will always love you
