

# Things Are Changing (feat. Marvin Winans)

**Bishop Paul S. Morton**

Winans:Every day of my life  
I awaken to a fight  
Trying to change what's wrong to right  
And it seems as though that no one really cares  
Ohh, awwwMorton:The world is such a mess  
When will it end  
Will things get better than what's been  
I know that day is soon to surely come  
I can already feel thatChorus:Oh (oh) things are changing (things are changing oh)  
Oh (oh my) things are changing ( aaahhhhh)  
Oh (oh things are changing) things are changing (I know and I know)  
Things are changing (things are changing)Morton:Ask me what's the use  
Can I just live my life  
'cause we all are going to die  
So just let me do what I want 'til my time  
Ohh, ohh, ohh, oohhWinans:Do you know where you will go  
When your time is done  
Eternal torment or up to the sun  
It as if we're not even concerned about either one  
But I still believe that things are changingChorus:Oh things are changing (I know things are changing)  
Oh things are changing (you may not see it but it's changing, it's changing)  
Oh things are changing (I know things..)  
Oh things are changing (ohhhhhh)Winans:You may not see it now  
But it's changing every day  
I can see you getting closer to your destiny  
Oh oh it won't be long now  
Before you stand and say world, look at me  
Look at me..Chorus:Oh (ohhh) things are changing (ohhh)  
Oh things are changing (ohhh, in your life I know)  
Oh things are changing (oh don't worry things are gonna change)  
Oh things are changing (oh oh things are changing)Weeping may endure for a night (may endure for a night)  
but you promised me joy (it's alright, it's alright) will come in the morning  
(it's alright things will get better)  
Oh things are changing.....
