Mercenary (Acoustic)

The Go-Go's

He's crying inside
Can't tear the hurt out
Life's rushing by
Like and old movie backdrop
The radio's blasting
Song after song
About the big romance
That went all wrong[Chorus]
She says:
I just wanted to make you
I never meant to break you
He says:
Have some mercy on me
Do you have to be
Such a mercenaryShe's scheming inside
Can't stop the wheels turning
Been through it before
There's no profit or learning
She's not really bad
Just a gold-plated heart
So scared to be alone
It rips her apart[Chorus]
