

Anyone Of Us

Gareth Gates

I've been letting you down, down
Girl I know I've been such a fool
Giving in to temptation
I should've played it coolThe situation got out of hand
I hope you understandIt could happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they loveHearts will break
'Cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive meAnyone can fail
Say you will believe me
I can't take
My heart will break'Cause I made a stupid mistake
A stupid mistakeShe was kind of exciting
A little crazy, I should've known
She must have altered my senses
As I offered to walk her homeThe situation got out of hand
I hope you understandIt could happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they loveHearts will break
'cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive meAnyone can fail
Say you will believe me
I can't take
My heart will break'Cause I made a stupid mistake
A stupid mistakeA stupid mistake
She means nothin' to me
Nothin' to me
I swear every word is true
Don't want to lose youThe situation got out of hand
I hope you understandIt could happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they loveHearts will break
'Cause I made a stupid mistake
It can happen to anyone of us

Say you will forgive me Anyone can fail
Say you will believe me
I can't take
My heart will break
'Cause I made a stupid mistake It could happen to anyone of us
Anyone you think of
Anyone can fall
Anyone can hurt someone they love Hearts will break
'Cause I made a stupid mistake
It can happen to anyone of us
Say you will forgive me Anyone can fail
Say you will believe me
I can't take
My heart will break 'Cause I made a stupid mistake
A stupid mistake
