Kill The King

Primal Fear

Danger, danger
The queen's about to kill
There's a stranger, stranger
Life's about to spillOh no, move away from harm
I need a spell and a charm
Fly like the wind, I'm no pawn
So be gone, speed on and onKill the king
Tear him down
Kill the King, yeah
Try to strike him downPower, power
It happens every day
Power, devour
All along the wayOh no, move me out of harm
I need a spell and a charm
Fly like the wind, I'm no pawn
So be gone, speed on and onKill the kingTreason, treason
Spectre looms again
Treason, reason
The realm is safe and thenOh no, move away from harm
I need a spell and a charm
Fly like the rainbow, I'm no pawn
So be gone, speed on and onKill the king
Tear him down
Kill the king, yeah
Got to take his crownKill the king
He'll reign no more
Strike him dead
The people roarKill the king, yeah
Take his head
Down, down, down, downOh kill, oh kill, oh, oh
